## Aquarium of the Pacific - Behind the Scenes Tour

Type: Trips - Group Trip

Date: Saturday, April 10, 2010

Time: 8:30am - 11:30am

Location: Long Beach

### Description

Please join us as Mark Anstey, a Life Support Technician, takes us on a behind the scenes tour of the Aquarium. He will show us and provide technical information on the Life Support Systems, heat exchangers, boiler room, cogeneration plant as well as the new "green" classroom. This is an 'above and beyond' tour not currently offered to the general public.
